

## **Fineqia Limited Reports 30% Increase in DABI's Net Asset Value Since Its Appointment as Investment Advisor**

London, UK / Nov. 29, 2024 - Fineqia International Inc. (the "Company" or "Fineqia") (CSE: FNQ) (OTC: FNQQF) (Frankfurt: FNQA), the digital asset and investment business, announces significant performance improvements in the Digital Asset Blockchain Infrastructure ("DABI") Actively Managed Certificate ("AMC") since its U.K. subsidiary Fineqia Limited ("Fineqia Ltd") was appointed as the Investment Advisor on Feb. 8, 2024.

As of Nov. 21, 2024, the Net Asset Value ("NAV") of the DABI AMC has increased 30%, representing the valuable partnership between Fineqia Ltd and Sermont Asset Management ("Sermont"). The joint effort of both companies is reflected in the success of recent portfolio adjustments, optimising the composition of the basket of its underlying crypto assets to achieve superior growth, while adhering to its risk management framework.

"Our collaboration with Fineqia Ltd has been instrumental in refining the portfolio and ensuring that its composition reflects both current market dynamics and long-term growth potential," said Volkar Zaworka, chief executive officer and chief investment officer of Sermont. "By driving the inclusion of high-performing blockchain infrastructure tokens, we've positioned the portfolio for superior performance, all while maintaining a strong risk management approach. This partnership highlights our commitment to delivering innovative and profitable solutions in the digital asset space."

The current DABI portfolio has been refined to focus on top-performing blockchain infrastructure tokens, where Fineqia Ltd has contributed with their understanding of market trends and the evolving digital asset industry. Key components of the portfolio include:

- **Bitcoin (BTC):** 37.9%
- **Ethereum (ETH):** 10.7%
- **Solana (SOL):** 9.1%
- **Cardano:** 11%

Fineqia Ltd's expertise in blockchain technology and digital assets along with Sermont's progressive approach to wealth management has driven the successful repositioning of the portfolio to include Solana (SOL) and Near Protocol (NEAR), while incorporating other strategic adjustments that align with trends in the blockchain infrastructure sector.

"We've applied our in-depth market knowledge to help generate superior returns," said Bundeep Singh Rangar, chief executive officer of Fineqia International Inc. "This success establishes a track record for Fineqia to attract more investors to DABI and garner more investment advisory mandates."
